

Test Execution Report - Valid Login with Username and Password

Execution ID: 051e1023-cd90-4b09-a08c-41ef04ade4e0

Status: FAIL

Duration: 53.10s

Validations: 4 (Passed: 0, Failed: 1)

Executive Summary:

The test attempted to validate the standard login workflow where a user provides a username and password to access the Welcome Dashboard. However, the login submission step failed, preventing the successful completion of this core business process. As a result, users could not be redirected to their personalized dashboard.
