

Test Execution Report - Valid Login with Username and Password

Execution ID: 11dfc8f4-d3ef-4d6d-93d7-397e6f8a24fe

Status: WARNING

Duration: 89.75s

Validations: 4 (Passed: 3, Failed: 0)

Executive Summary:

The login test case aimed to verify that a user with valid credentials is successfully directed to the Welcome Dashboard with a personalized greeting. The workflow involves accessing the login page, entering credentials, and submitting the form. While the first three validation steps passed, a warning was flagged during form submission, indicating a potential issue that prevented full verification of the expected business outcome.
